Italian-born **Luca Bash** creates music that gets under your skin and makes you feel a bit vulnerable, his latest single "Single Drops" being no different. A simple acoustic song with vocals that are at times reminiscent of Dave Matthews and other times sound a bit like Randy Newman, Bash has a way with the English language and a guitar that will pull at your heartstrings. His voice is wrought with intense emotion and the guitar further emphasizes the points he wants to make. It's the perfect track for a rainy day when you're in the mood to sulk. Indulge your sad side, and check out "Single Drops" above.
